FINANCIAL POLICY

Thank you for selecting our practice for you dermatological needs. Our goal is to provide you with the highest quality of treatment and service. Your complete understanding of your financial responsibilities is an essential element of your care.

1. Patients are responsible for all payments including, but not limited to co-pays, co-insurance, deductibles, and past due balances at the time of service. We accept cash, check, debit cards, MasterCard, and Visa.
2. Insurance Policies: We are contracted providers with many insurance plans and will accept assignment of benefits. As a courtesy, we will bill you primary insurance policy to the plans with which we participate. If your insurance company denies your bill, you are ultimately responsible for payment of services not covered by your insurance plan and will be held financially responsible. It is your responsibility to call and check with you insurance as to which services are covered prior to being seen and treated. We do not file on secondary insurances, other than Medicare.
3. All health plans are not the same and do not cover the same services. In the event your insurance plan determines a service to be “not covered,” or “not medically necessary” you do not have an authorization, you will be responsible for the complete charge.
4. If you are out-of-network, payment is still due in full at the time of service. We will prepare a receipt for you at the time of service with all the necessary information needed for you to file the claim.
5. You must inform the office of all insurance changes, authorization referral requirements, and address changes. In the event the office is not informed before care is rendered, you will be responsible for any charges that are denied.
6. In cases of divorce or separation, the parent authorizing treatment for a child will be the parent responsible for those charges on the date of the child’s office visit. If the divorce decree requires the other parent to pay all or part of the costs, it is the authorizing parent’s responsibility to collect from the other parent.
7. You may receive a separate bill for laboratory or pathology services from an off-site lab for any tests your physician orders. Or, you may receive a separate pathology bill from Dr. Warthan, as she is also a dermatopathologist and may read your pathology slides herself. In the case you receive a bill from an outside lab, you may discuss any bills with that lab.
8. Cosmetic services must be paid at the time of your visit. These services cannot be billed to your insurance. Cosmetic services include, but are not limited to: skin tag removal, benign growth removal, Botox, Restylane, Juvederm, chemical peels, and laser treatments.
9. Please call us at least 24 hours before your appointment time if you need to reschedule, change, or cancel an appointment**.** **A $50 charge will be applied for any appointment that is not cancelled at least 24 hours prior to your appointment time. A deposit of $500 may be required for all surgical appointments.** If the appointment is missed and not cancelled at least 24 hours before your appointment time, the deposit will not be refunded. **A deposit equal to half of the cost of a cosmetic appointment is required and the same cancellation policy applies.** Patients with multiple missed appointments or cancellations will be discharged from Warthan Dermatology Center.
10. A $40 returned check fee will be charged for all returned checks.
11. If your account is past due, it will be turned over to our collection agency, and you will be responsible for the collection fee charged to us by the agency, all attorneys’ fees (including litigation, if necessary) in addition to your outstanding balance.

I have read and understand the financial policy of Warthan Dermatology MOHS Skin Cancer Surgery Center, and I agree to be bound by its terms. I understand and agree that such terms may be amended in the future by the practice.

If we have a contract with your insurance company, our office will file on your insurance for your office visit(s) and any surgical procedure(s) that you may have had done. Most insurance policies have a yearly deductible, the amount of which varies with each policy. After your insurance company pays its share, we request you sign an authorization with a credit card so we can bill your credit card for any outstanding balance that your insurance does not pay. We do accept Medicare, so this same policy applies to Medicare patients. This policy is similar to having a credit card on file for incidentals during a hotel stay or in the case when you are renting a car.

You hereby acknowledge receipt of the services, authorize us to bill the credit card for dermatology services, and agree to take all further actions required to pay the charges in full and to perform the obligations set forth in your agreement with the credit card issuer.

A copy of the charges and current statement will be sent to you for your records if desired. You may choose to have a copy mailed to you or emailed to you for your records.

_____ I request a paper copy of my credit card charges to be mailed to my home address.
_____ I request an electronic copy of my credit card charges be emailed to my email address on file.
_____ I do not want a copy of my credit card charges.
